SRI VENKATESWARA UNIVERSITY EMBLEM AND MOTTO

A DESCRIPTION

1. The Wheel (Chakram) at the top, in Hindu Mythology, is the characteristic weapon of **Lord Sri Venkateswara**, an incarnation of Vishnu, and it is intended to connote that this University is named after **Him**.
2. The Heraldic elephant heads and the lotus below the wheel which are taken from the crest of the University of Madras are intended to connote that **Sri Venkateswara University** is an offspring of the former in the sense that a portion of the area which had earlier been in its affiliation is brought under the latter's jurisdiction.
3. The lower portion, in the symbolic form of hills, is intended to suggest the **SEVEN HILLS**, the abode of **Lord Sri Venkateswara** with which Tirupati is identified.
4. The **MOTTO Jnanam Samyagavekshanam** means:
Wisdom lies in correct perspective.

Vice-Chancellor

Vision and Action Plan

"In the present day scenario, no University can afford to function in isolation of the competitive and competing forces unleashed by the processes of globalization, privatization and liberalization. It is high time for the Universities to have a sound Vision to catch up with the emerging trends in frontier areas of teaching, research, extension and consultancy and an effective Action Plan to implement it."

- Prof. Dr. Col. S. Jayarama Reddy

"I will not be presumptuous enough to say that my life can be a role model for anybody; but some poor child living in an obscure place in an underprivileged social setting may find a little solace in the way my destiny has been shaped. It could perhaps help such children liberate themselves from the bondage of their illusory backwardness and hopelessness."

"When you speak, speak the truth; perform when you promise; discharge your trust; Withhold your hands from striking; and from taking that which is unlawful and bad."

"What actions are most excellent? To gladden the heart of a human being, to feed the hungry, to help the afflicted to lighten the sorrow of the sorrowful and to remove the wrongs of injured."

**SRI VENKATESWARA UNIVERSITY****PROFILE**

Established on September 1, 1954 as the brain-child of visionary luminaries Sri Prakasam Pantulu, Sri Neelam Sanjeeva Reddy and others, Sri Venkateswara University has been catering to the higher educational needs and aspirations of the people of Rayalaseema. Christened after the Lord of the Seven Hills, the University was launched with generous help from the Tirumala Tirupati Devasthanams which donated 1200 acres of sprawling campus along with the then existing college buildings, besides a munificent annual grant of Rs. 10 Lakhs.

Efficiently nurtured by committed Vice-Chancellors starting from Prof. S. Govindarajulu to the present Vice-Chancellor Prof. Dr. Col. S. Jayarama Reddy, the University has grown from strength to strength, emerging as a premiere institution of learning, teaching, research and extension.

The Colleges

The University has eight constituent campus colleges, S.V.U. College of Arts, S.V.U. College of Biological and Earth Sciences, S.V.U. College of Commerce, Management & Information Sciences, S.V.U. College of Education and Extension Studies, S.V.U. College of Humanities, S.V.U. College of International Studies, S.V.U. College of Mathematical & Physical Sciences and the University College of Engineering and one Post Graduate Centre at Kavali. Together, they have seven faculties - Arts, Sciences, Commerce, Engineering, Education Law and Management, with 58 Departments offering 71 Post-Graduate Courses, 7 Under-Graduate Courses and Certificate Courses.

Affiliated to the University are 37 PG Colleges, 2 Engineering colleges, 23 MBA/MCA Colleges, 6 Law Colleges, 36 Colleges of Education, 2 Physical Education Colleges, 3 Oriental Colleges, 1 College of Music and Dance, 166 Under-Graduate Colleges spread over Chittoor, Kadapa and Nellore districts.

Students and faculty

The selection to all PG and Research programs is through entrance tests conducted by the Directorate of Admissions, EAMCET, ICET, EDCET, LAW CET etc.

The constituent colleges in the University campus and the Post-Graduate centre at Kavali together have 5000 students and 600 well qualified faculty members in various disciplines. The faculty have achieved national and international repute for their research output, quality teaching, and have been awarded several national and international fellowships in their respective fields.

The colleges affiliated to the University have over one lakh students and 6000 teachers.

Research

Equipped with the most modern laboratory facilities and a robust library resource system, the University offers research programs leading to M. Phil and Ph.D degrees in almost all branches of Humanities, Social Sciences, Basic Sciences, Engineering, Management and other frontier areas. Post-doctoral programs in Space research, Ground Water Exploration, Restoration of river water sources, Oriental Research, Gerontology, Rural Development and Appropriate Technologies, Studies on South-East Asian and Pacific region and Human Genetics have won appreciation from scientists, academicians and the Government alike. Several departments in the University such as Anthropology, Botany, Bio-technology, Civil Engineering, Chemistry, Economics, Physics, Psychology, Population Studies, Telugu Studies and Zoology have been recognized by UGC, CSIR, and DST as centres for advanced research. UGC-SVU Centre for MST RADAR Applications provides inputs for Space Research Programs. A good deal of research activity is aimed at providing solutions to the problems of the drought prone Rayalaseema region.

Extension

Extension has always been a part of the curriculum in disciplines like Home Science, Sociology, Adult Education, Population Studies etc. With a view to share the fruits of their knowledge with the community,

several other Science and Social Science departments have been undertaking extension activities. The Institute for Advanced Study in Education, Centre for Rural Development and Appropriate Technologies and Entrepreneur Development Cell are some of the establishments other than the Post-Graduate departments involved in extension. The increasing participation of academicians in extension activities has resulted in building a mutually beneficial relationship between the University and the community. The Centre for Gandhian Studies advocates the value of peaceful coexistence and emphasizes the importance of national integration. The department of Human Rights and Social Development conducts programs to create awareness about Human rights and human development.

These programs have been mutually beneficial - to the community as well as to the University. Because of the interaction with the community, the University has been able to go beyond the class rooms and learn a lot about the people's perceptions, their needs, attitudes, aspirations etc. The community, on the other hand, has been able to draw upon the expertise of the staff and students of the University in the process of development. The effort has always been to help people help themselves and make them become active participants in their own development.

Seminars /Conferences

Sri Venkateswara University has been playing host to several National and International academic, Cultural and Sports meets:

- ❖ All India Political Science Congress (1976)
- ❖ Indian Economic Conference (1981)
- ❖ Indian Science Congress (1983)
- ❖ Annual Meeting of the National Academy of Sciences (1995)
- ❖ South Zone Inter-University Youth Festival (1999)
- ❖ Annual Meeting of the Indian Academy of Sciences (2001)
- ❖ University Community Interaction (2005).
- ❖ University Farming-Community Interaction (2005).
- ❖ University -Industry Community Interaction (2005)
- ❖ Millenium Development Goals (2005)

Academic Staff College

The UGC funded Academic Staff College has been rated as one of the leading centres of its kind. It conducts Orientation Programs at regular intervals for college and University teachers to improve their teaching skills and methods, to help them to enhance their academic resources, and broaden their outlook and perspective. It also organizes from time to time Refresher Courses in specific disciplines to enable teachers to update their knowledge, improve competence in their respective subjects and keep themselves abreast of the latest developments in their fields.

Oriental Research Institute

The Oriental Research Institute has been a centre of Scholarship passed on to the University by the TTD. It has a rich collection of ancient books and palm leaf documents encompassing the rich heritage and culture of our nation. The process of digitalization is underway to preserve all the documents.

Library

The campus possesses a well-stocked and efficiently catalogued library with a huge collection of text and reference books, scientific journals, and research papers/ material. The University Library caters to the educational, research and information needs of the students, research scholars and faculty. It is centrally located and easily accessible to all the users. The library contains over 3.15 lakh documents, arranged in neatly stacked racks in spacious halls. It subscribes to about 440 periodicals including 330 Indian and 52 foreign journals. The library also contains a "Competitive Examinations Cell" that provides reading material for those preparing for various All India and State level competitive examinations and also for GRE, TOEFL, CAT, GMAT, etc. It is a member of the INFLIBNET Program. The library has digitalized information by creating data base for books, back volumes of journals and Ph.D. theses.

The library has four reading halls with a seating capacity of 325 readers at a time. It is open for thirteen hours from 8 am to 9 pm on all working days and for seven hours between 10 am and 5 pm on Sundays and other holidays. It works on almost all days, closing only on six days in a year.

Sports and Games

The University provides facilities for a wide range of sports and games. It has a modern gymnasium which is equipped with the latest gymnastic and fitness gadgets like the multigym. The Gym provides facilities for indoor games like shuttle badminton, table-tennis, chess, carroms, besides Weightlifting and malkhamb. The renovated University stadium provides facilities for cricket, foot ball, hockey and athletics. There are also courts for ball badminton, basket ball, volley ball, tennis, etc.

The University hosts All India, South zone and Inter-University competitions regularly. Intramurals are conducted annually. In addition, intercollegiate sports and games are conducted quite frequently in the campus. Coaching camps in different disciplines are held periodically in an atmosphere congenial to the development of skills in different sports and games.

Health Centre

Established in the year 1959, the University Health Centre extends medical services to

- ★ Students
- ★ Teaching Staff
- ★ Non-teaching employees
- ★ Dependent family members of the employees
- ★ Retired employees

The University Health Centre has about thirty-three employees including one Senior Medical Officer, three Medical Officers, three Staff Nurses, two Pharmacists and two Lab Technicians. They all work tirelessly round the year, even on holidays, in an effort to keep the campus healthy and fit.

The hospital also has a 12- bed in-patient facility. The Health Centre provides X-ray, ECG, Ultra Sonogram and clinical lab services. In addition, specialist consultant services in General Medicine, General Surgery, Ophthalmology, and Dental surgery are available in the Health Centre on certain days of the week.

The Health Centre has been renovated in a big way recently during the Golden Jubilee year. It has got a better look, extended the capacity of the inpatient facility, bought new equipment to meet the challenges of the future needs.

Employment Bureau

Located near the Non-resident Students' Centre, the Employment Information and Guidance Bureau has been assisting the students in the right choice of courses of study and jobs in consonance with their aptitudes. It was established in 1961 by the Department of Employment and Training, Government of Andhra Pradesh as a part of the National Employment Services. So far, about 41,953 candidates have registered their names in the Bureau.

Other Facilities

The University provides several other services and facilities to the students and staff.

A hyperbola shaped magnificent auditorium located centrally in the campus is, in fact, a tourist attraction. With a seating capacity of 2500, it is a fabulous place for conducting conferences, meetings, functions, cultural activities etc.

The University Hostels have 15 blocks accommodating 2000 men and 1000 women students. The Staff Quarters provide adequate residential accommodation to the staff on the campus.

The University has banking facilities with ATM on its campus. Besides a regular post office, the campus has a modern telecom centre that provides telephone, fax, e-mail and telegraphic services.

Cafes at convenient locations in the campus cater to the tastes of the inmates and visitors alike.

The SVU Consumers' Co-operative Stores supplies essential commodities, cosmetics, textiles etc., to students and staff at reasonable prices. It also runs an Indane LPG Agency.

The Faculty Club offers indoor and outdoor recreational facilities to the faculty.

The University Guest House provides excellent accommodation to academicians and examiners visiting the University.

Coin Phone facility has been provided in the campus for students and teachers in every college / hostel block.

Cultural activities

The University provides several avenues for the expression of cultural, literary and artistic creativity for the students and faculty. The Directorate of Student Welfare and Cultural Affairs attends to the developmental, welfare and recreational needs of the students.

Alumni

Sri Venkateswara University has an alumni that are spread far and wide, nationally and internationally, occupying eminent positions in various fields and professions. The alumni of the University have attained top levels as administrators, engineers, industrialists, researchers and political leaders. Several of the former students have become IAS, IPS, IFS officers. Many are working in national and international laboratories and research institutions. A good number of the alumni are in important positions in US, UK, Canada, Australia, New Zealand and other countries.

Where the mind is without fear

Where the mind is without fear and the head is held high

Where knowledge is free

Where the world has not been broken up into fragments

By narrow domestic walls

Where words come out from the depth of truth

Where tireless striving stretches its arms towards perfection

Where the clear stream of reason has not lost its way

Into the dreary desert sand of dead habit

Where the mind is led forward by thee

Into ever-widening thought and action

Into that heaven of freedom, my Father,

let my country awake

3. S.V.U. College of Commerce, Management and Information Sciences

The College of Commerce, Management and Information Sciences conducts Masters Courses in Commerce (M.Com.), regular and self-supporting. Financial Management (M.F.M. Self-Supporting), Library and Information Sciences, Management Studies and Computer Science.

04. S.V.U. College of Education and Extension Studies

The College of Education and Extension Studies conducts Masters Courses in Adult Education, Education, Extension Studies (only by research) and Physical Education.

5. S.V.U. College of Humanities

The College of Humanities conducts Post-Graduate courses in the subjects of English, Hindi, Linguistics, Philosophy, Sanskrit, Tamil, Telugu Studies, and Urdu.

6. S.V.U. College of International Studies

The College of International Studies conducts Post-Graduate courses in the subjects of Ancient Indian History, Culture and Archaeology, Gandhian Studies (from 2006-07) History, Human Rights and Social Development and Indo-China and South Pacific.

7. S.V.U. College of Mathematical and Physical Sciences

The College of Mathematical and Physical Sciences conducts Post-graduate courses in the subjects of Chemistry, Medicinal Chemistry (Self-Supporting), Environmental Science, Mathematics, Applied Mathematics (Self-Supporting courses), Physics, Electronics (Self-Supporting) and Statistics. The Instrumentation course will also be run by the Department of Physics.

Besides the **S.V.U. College of Engineering** became the **8th College** of the constituent colleges of S.V.U. Campus, offering courses in (1) B.Tech. in Chemical Engineering, Civil Engineering, Electrical & Electronics Engineering, Electronics & Communication Engineering, Mechanical Engineering and Computer Science & Engineering. (2) M.Tech. in Chemical Engineering, Civil Engineering, Electrical & Electronics Engineering, Mechanical Engineering and Doctoral Programmes in all disciplines of Engineering.

Administration

The Colleges are run on democratic lines with decentralization of administration giving prominence to collective decision making. The Principal is assisted by the College Council, where the Principal, the Warden and the Heads of all the Departments are the members. Similarly the Department Council shall also be formed at the Departmental level where the Head of the Department concerned is the Chairman. Further every Department shall have the Committees like the Department Council, Department Development Council, Department Research Committee and the Department Library Committee. These committees do participate in decision making at the Departmental level. Each academic discipline has a Board of Studies with a Chairman taking care of the Curriculum aspects.

Semester System and Choice Based Credit System

Though some courses run on semester pattern since a very long period, now the University made it compulsory and introduced semester pattern for all the courses with internal assessment system. But due to some academic and administrative inconvenience, the internal component has been dispensed with from the year 2005-06. From the academic year 2006-07 the Choice Based Credit System (CBCS) for all the courses has been introduced in the University Colleges. However, there is a trimester pattern in the M.B.A. programme in the campus.

Faculty

All the Colleges of the campus have a highly qualified and well experienced faculty members. Some of the faculty of the Colleges have received training from reputed Universities and Institutes in the country like the IITs, IIMs, IIPA, IISc, NRSA and also in other countries like USA, UK, Germany, France and Italy, to name only a few.

Many teachers have visited Universities abroad under different fellowships such as the Common Wealth Academic Fellowship, DAAD, Rock Feller Foundation, Alexander Von Humboldt Fellowship, Japan Society for Promotion of Science Fellowship etc.

A large majority of the faculty members have academic interaction with other Indian and Foreign Universities as Members of Board of Studies, Selection Committees, Experts, Resource Persons, Guest Faculty and so on.

Our faculty members are bringing laurels to the colleges by their dedication and hard work. They are in receipt of many awards like the

Young Scientist Award, the C.V. Raman Award, Best Teacher Award, USA President's Best Researcher Award, etc.

Curriculum

The curriculum in all the Constituent Colleges of the campus is very flexible. It is restructured periodically to make it more relevant to the current changing trends, at the same time to meet the requirements of NET, UPSC, APPSC etc. The Board of Studies periodically revises the curriculum by launching new P.G. courses, new papers and generally enriching the content of the existing papers. The curriculum provides for inter-disciplinary and multi-disciplinary interaction and co-operation. All the teachers in the department participate in the process of curriculum development. Curriculum on the extension, research and industry interaction has been designed and implemented in all the courses.

Teaching Methods

Conventional teaching methods are supported and supplemented by

- ✦ Use of Audiovisual media
- ✦ Discussions
- ✦ Class room Seminars
- ✦ Written Assignments
- ✦ Laboratory Assignments
- ✦ Fieldwork
- ✦ Project work
- ✦ Conducting National / International Seminars / Workshops etc.

Research

On par with teaching, research is an integral part of the University Colleges. The students and teaching faculty at all levels are engaged in advancing the frontiers of knowledge through socially relevant scientific and technological research. The faculty members periodically publish research papers and books, participate and organize National and International Conferences / Symposia / Workshops and also undertake major and minor research projects in order to improve the individual academic calibre and also to bring to the university the national and international research credits.

The following departments of the Colleges of the Campus are receiving financial assistance or grants through various programs like UGC-COSIST, DRS, SAP, DST-FIST, ASSISH etc.

- ★ Anthropology
- ★ Botany
- ★ Economics
- ★ Physics
- ★ Population Studies
- ★ Psychology
- ★ Telugu Studies
- ★ Zoology

The areas of research include :

- ◆ Atmospheric physics and space science
- ◆ Biodiversity conservation and Toxicology
- ◆ Environmental studies
- ◆ Water Resources Management
- ◆ Alternative energy systems
- ◆ MST Radar Applications
- ◆ Information Technology
- ◆ Development studies
- ◆ Applied and medicinal chemistry
- ◆ Business Economics
- ◆ Population and development
- ◆ Entrepreneurship development
- ◆ Nutrition and Behavior
- ◆ Ageing problems of Population
- ◆ Human Rights Education
- ◆ Studies in Peace and Non-violence
- ◆ Gandhian Studies
- ◆ Indology and Oriental Studies
- ◆ Nanomaterials and Technologies
- ◆ Film and Cine Industry

Extension

All the constituent Colleges have a long history of fruitful interaction with the community. The departments of Management, Computer Science, Biochemistry, Zoology, Physics and Economics, Population Studies, Geography, Virology and many others have been undertaking research for Government, Industry, NGOs and several other institutions.

The departments of Sociology, Home Science, Adult education, Education, Population Studies, Economics etc., regularly organize extension activities as part of their academic programs.

These include

- ★ Transfer of technologies to the people
- ★ Running counselling centers
- ★ Training functionaries, social workers, NGOs
- ★ Awareness campaigns
- ★ Social service
- ★ Evaluative studies
- ★ Waste land development
- ★ Shramadan
- ★ Pragathi Patham
- ★ Clean and Green
- ★ Health camps

With the UGC and the Government calling upon the Universities to give more and more emphasis to extension, several departments in the Colleges have been gearing up for extension work with useful programs.

Admissions

The students for PG programs are selected on the basis of an entrance test – known as SVUCET (Sri Venkateswara University Common Entrance Test). In addition to regular seats, there are payment and Sponsored seats.

Research students are admitted into full-time and part-time Ph.D. and M.Phil. programs on the basis of the marks which they secure in their post-graduate course. The selection of a candidate to Ph.D. Program either for full-time or part-time also depends upon the consent of the teacher as well as the availability of a seat with the teacher.

The admission for M.Phil either for Full-time/Part-time also depends upon the number of vacancies in the concerned department. The rule of reservation similar to that of P.G. admission is followed in M.Phil. full-time and part-time admission.

Students

The University campus provides a liberal, democratic and open academic environment for the students to blossom and develop right knowledge, values and perspectives. Many avenues are provided to the students to give vent to their creative talents and skills in curricular, co-curricular and extra-curricular activities. The best outgoing student award is instituted one for each department for the out going student after completing their post-graduate course in the campus. It is given for those

who are regular, sincere, hardworking meritorious and stands first in all respects during their two-year study in the campus.

Over 2500 students of all categories strive hard to expand the horizons of their knowledge in the Colleges. With one teacher, on the average for nine students, the Colleges devote personal attention to the academic needs of every student. Every department has a student counsellor who advises the students on academic matters, career opportunities as well as personal issues and helps in solving the problems of the students.

Scholarships

The Colleges offer many awards, gold medals and prizes to those students who excel in academics.

The students belonging to socially and economically backward communities and those who are economically poor get State and Central Government Welfare Scholarships. There are scholarships for the children of ex-servicemen, children of political sufferers, children of deceased government employees, widows and physically disabled persons.

Besides, several merit scholarships as well as merit-cum-income scholarships are offered to the students. In addition, there are about twenty Endowment Scholarships for both previous and final year PG students of different departments, instituted by philanthropists. Some special scholarships are offered for a meritorious woman student, a SC student, a native student of Chittoor district and outstanding sports persons in the Colleges.

Fellowships and Scholarships are offered to research students of the campus by the University and also by the UGC, CSIR, DAE, ICMR, ISRO, ICAR, ICPR, ICHR, ICSSR, Rastriya Sanskrit Samsthan.

Hostels

Hostel accommodation is provided only for those who are in need and that too who are admitted in the campus. Providing hostel accommodation is not guaranteed for all the students. It is provided only for those who come from a distance of more than 20 kms. The accommodation is given on the ratio of 1:2:2 i.e., one for research scholar, two for previous students and two for final year students. (except engineering).

Each of the seven SVU Colleges and the eighth College of the campus i.e., the SVU College of Engineering has separate hostel accommodation and also mess. The students are served with both vegetarian and non-

vegetarian food and they participate in the hostel administration of the messes. All the hostel blocks provide an optimum accommodation of 2000 students (including research scholars) of all categories.

The University Women's Hostel has seven blocks accommodating over one thousand students of all categories admitted into the Colleges. There are four messes run on no profit – no loss basis.

The Principal of each College is also the Chief Warden. For the Women's hostels, the senior most principal of all the colleges (except engineering) is the Chief Warden.

Cultural Activities

The campus creates conducive environment for activities that reflect Indian culture, heritage and ethos. Activities promoting cultural, emotional, national and communal integration are encouraged.

The literary and artistic inventiveness of the students, research scholars and faculty find expression in the College Magazine.

The Colleges conduct several cultural events, competitions and festivals at regular intervals, providing several opportunities to the students to express their cultural and artistic ingenuity.

Alumni

Among the alumni of SVU Colleges are the distinguished personalities, scholars, scientists, industrialists, administrators and prominent political personalities. A large number of our former students adorn National and International Laboratories and Research Institutions. Several of them are in important positions in US, UK, Canada and Australia, Saudi Arabia and other Countries. There is an Alumni Association that is working effectively to provide the necessary information about the old students studied and also to inform the activities of the Association, time to time involving the Alumni during important occasions in the campus.

The S.V.U. College of Engineering has an independent Alumni Association. It was started in 1965. Most of the old students of the college are members of the Association and all the out-going students are eligible to become members of the Association. The business and affairs of the Association are managed by an Executive Committee. The aims of the Association are to maintain a directory of the alumni, to help the alumni to maintain contacts with the college, to arrange the annual gathering of the alumni and to enroll fresh members, to institute prizes in the name of the Association for the encouragement of curricular activities and to issue News Letters periodically to its members.

S.V. UNIVERSITY COLLEGE OF ENGINEERING

website: www.svuce.org

PROFILE

Pandit Jawaharlal Nehru, the first Prime Minister of India, laid the foundation stone for the S.V.University College of Engineering on 13th October 1959. In the four and half decades, it has become a premier technological institution in India due to the untiring efforts of the faculty and students.

At the inception, the College offered three conventional disciplines of Civil, Electrical and Mechanical Engineering, leading to the Degree of Bachelor of Engineering. Subsequently, new disciplines and courses have been introduced both at undergraduate and Post-graduate levels, in tune with the changing needs and scenario in the field of technical education. At present, the College is offering 4 - year B.Tech. programmes in Chemical, Civil, Electrical and Electronics, Electronics and Communication, Mechanical and Computer Science Engineering and 4- Semester M.Tech programmes with ten specializations. More than fifty candidates were awarded Ph.D. degrees and a good number of research works are in progress. The College has extensive building accommodation comprising lecture and seminar halls, drawing halls, administration and office accommodation, faculty rooms, laboratories and workshops for different Departments. There are four hostel blocks - two for B.Tech., one for M.Tech., and one for women students. Other infrastructure includes a College Computer Centre, Departmental libraries, book-bank etc. Adequate facilities are available for games and sports activities including separate Gym for boys and girls. The curriculum is of good standard and updated at regular intervals to incorporate the current technological trends. The standard of instruction imparted is of high order. The faculty are experienced and highly qualified. They are up to date in Teaching, Research and Consultancy. The institution has a strong tradition of conducting tests and examinations in the best possible manner. The assessment of students has always been fair, reliable and trustworthy.

Many International / National Conferences, Seminars, Workshops and other Continuing Education Programmes have been organized by various Departments. In each Department. Technical Associations exist with students as office-bearers along with faculty advisors. Seminars,

quizzes, guest lectures, group discussions, educational tours are some of the programmes undertaken by the Associations. National level technical paper presentation contests for students (SIGMOID, CHATURYA etc.) are being organized. The mega annual cultural event Rhapsody speaks of the talents inherent in the engineering students. Students are encouraged to participate in cultural activities conducted by other Colleges and they regularly bag prizes. The various wall magazines project the creative thinking of the students. NSS, NCC, Rotary club, Environmental club function effectively to inculcate social commitment. Thus, the College provides a scope for the overall personality development of the students.

The performance of students in competitive examinations like Graduate Aptitude Test in Engineering (GATE), Indian Engineering Services (IES), Common Admission Test (CAT) for management studies is quite impressive and richly accredited. After successful completion of B.Tech., students get seats in the institutions of excellence both in India and abroad. The placement cell functions effectively and the students find placements in reputed companies and organizations.

The alumni of this College have been occupying apex position in organizations of repute both in our Country as well as in other countries of the world. The success of this institution is based on continuous maintenance of quality in technical education and a crystal clear vision for the future.

PLACEMENT CELL

The Placement Cell in S.V.U. College of Engineering has been operational for the last fifteen years, with the dual objective of imparting preparatory coaching to students and liaising with the industry to arrange campus selections. The cell is headed by a Professor, nominated by the Principal and is manned by an office assistant. This is a student-supported activity.

Thanks to the untiring efforts of successive Placement Officers and also to the boom in the software industry, quite a good number of graduates passing out of the college could get excellent placements in their final year itself. TCS, WIPRO, Cognizant Solutions, HCL, CSC, Satyam Computers, Sonata, and CMC are some of the leading software

companies visiting the campus regularly. Some manufacturing companies, both in public and private sector, like BEL, HAL, HMT, L & T, TISCO, ECIL, Voltas, Erudite, Seenaiah & Company, Hyderabad Industries picked up students of this college in campus selections in the past. At its peak, the cell could arrange placements to the extent of 80-90% of eligible candidates. The placement cell is doing its best to project the institute and to arrange campus selections.

- ◆ He/She, as Chief Warden also, shall be responsible for smooth functioning of the Hostels, supervise the performance of the wardens, Stewards, Block and Mess in-charges. He/she shall also nominate various Students Committees (Block, Mess and Purchase committees) formed for the smooth running of the Hostels/Messes.
- ◆ Principal and Chief warden shall be the drawing officer for payment of salaries to the Hostel staff.
- ◆ He/She is authorized to sanction the periodical increments to the teaching (Assistant and Associate Professors) and non-teaching staff.
- ◆ He/She shall monitor and encourage the staff to involve in active research and extension activities and link the departments with related industries/communities.
- ◆ The College Council consisting of Vice-Principal, Heads of the Departments and Wardens, with Principal as the Chairman, shall meet once in a month and the minutes of the meeting shall be communicated to the University soon after.
- ◆ General policy matters related to all the constituent colleges including the SVU PG Centre, Kavali will be decided in the Principals' Council, Chaired by the Hon'ble Vice-Chancellor. The Principals' Council will meet at least once in a semester.

Vice-Principals

- The Vice-Principal shall execute the directions of the Principal concerned.
- The Vice-Principal shall function as the Principal I/c during the absence of the Principal. At any time, the Principal or the Vice-Principal or both shall be available in station and no other Professor can act as the Principal I/c unless permitted by the University authorities in advance.
- He / She shall be responsible for the conduct of all P.G. Examinations under the general supervision of the Principal.
- He / She shall not accept any extra assignments outside the University that divert the attention from normal functioning.
- Both Principal and Vice-Principal shall not be out of station at a time. On mutual consultation, understanding / adjustment one of them shall always be available in the head quarters.

Heads of the Departments

The Department Council, Department Development Committee, Department Research Council and the Department Library Committee shall participate in the decision making at the department level. (For detailed guidelines for constituting various Committees please refer to the Circular No. SVUC/B2/DEPT. Comm/2004 dated 21.09.2004 of the Principal, SVU College of Arts & Sciences.

- The Head of the Department shall be responsible for smooth running of the Department in cooperation with all the faculty members.
- He/She has to monitor the academic and administrative work at the department level.
- All correspondence shall be routed through the office of the Principal.
- He/She shall be responsible for maintaining various registers, like Attendance (Staff, Students and Scholars), Leaves (all types), Stock, Library accession, Coverage of syllabi and internal assessment marks etc.,

- He/She shall be responsible for preparing the Time-table, allocating the subjects / papers, work-plans monitoring the class-work, making adjustments of class work, etc.,

"I can venture to affirm, without meaning to pluck a leaf from the never-fading laurels of our immortal Newton, that the whole of his theology, and part of his philosophy, may be found in the Vedas".

"The six philosophical schools, whose principles are explained in the Darsana Sastra, comprise all the metaphysics of the old Academy, the Stoa, the Lyceum; nor is it possible to read the Vedanta, or the many fine compositions in illustration of it, without believing that Pythagoras and Plato derived their sublime theories from the same fountain with the Sages of India."

"We are told by the Greek writers that the Indians were the wisest of nations, and in moral wisdom, they were certainly eminent."

IMPORTANCE OF EDUCATION

Education is the leading of human souls to what is best, and making what is best out of them.

- John Ruskin

Education makes people easy to lead, but difficult to drive; easy to govern, but impossible to enslave.

- Henry Peter

Education means the aquisition of knowledge. There is no short-cut method to aquire knowledge. There may be short-cuts to success or wealth or power or even a University degree, but not to knowledge.

దేశమును ప్రేమించుమన్నా!

దేశమును ప్రేమించుమన్నా!
మంచి యన్నది పెంచుమన్నా!
పట్టి మాటలు కట్టి పెట్టోయ్
గట్టిమేల్ తల పెట్టవోయ్.

పాడిపంటలు పొంగి పొర్లే
దారిలో నువు పాటు పడవోయ్
తిండి కలిగితే కండకలదోయ్
కండగలవాడేను మనిషోయ్.

పూను స్పర్ధను విద్యలందే,
వైరములు వాణిజ్యమందే,
వ్యర్థకలహము పెంచబోకోయ్,
కత్తి వైరం కాల్చవోయ్.

కవితకోయిల పలుకవలెనోయ్
పలుకులను విని దేశమందభి
మానములు మొలకెత్తవలెనోయ్.

PERFORMANCE PARAMETERS FOR UNIVERSITY ASSESSMENT OVER ALL UNIVERSITY PERFORMANCE GRADE POINTS

(Weights given to various Components)

Maximum Grade Points : 100

The University Administration is following a scheme to evaluate the over-all development of the University every year. For this purpose certain performance parameters/indicators designed and supplied by the APSCHE are followed. The parameters are graded to a maximum of 100 points and the components are given weightages to assess the University performance.

The various components used are : Academic performance, Infrastructure facilities development, Research, Consultancy & Extension, Teacher's participation in Administrative functions, Hostels performance, Library, Health Centre, Engineering Department, Common facilities, Other centres on the campus, Non-Teaching Employees Performance (Sections and Individuals) University Governance etc.,

Assessment of Individual Teachers

To assess the yearly progress (Performance) of the individual teacher, the parameters such as, Identification data, Teaching, Research, Co-curricular Consultancy, Extension, and Administrative activities are proposed and followed.

The Honourable Vice-Chancellor Prof. Dr. Col. S. Jayarama Reddy shall hold personal discussions with Individual Teacher to understand the ongoing work and to suggest the follow-up program.

Assessment of Individual Non-Teacher and the Section

To assess the performance of a non-teacher and the section as whole, certain parameters have been framed and followed. These parameters are common for all the Non-Teachers and are different for all the sections. For this purpose the University is divided into seven units namely Joint-Registrar, Deputy Registrar (Finance), Deputy Registrar (Administration), Deputy Registrar (Development), Deputy Registrar (Examinations), Deputy Registrar (Academic) and College Offices.

After the assessment, our beloved Vice-Chancellor Prof. Dr. Col. S. Jayarama Reddy shall hold periodical meetings with the non-teachers either individually or section wise to take note of the ongoing administration and suggests for a better governance.

POST-GRADUATION & RESEARCH COURSES RULES AND REGULATIONS

Students have to observe the following guidelines for their effective learning and efficient functioning of the college.

Identity Card

An identity card is issued to every student on admission to the college/centre. It is to be presented for admission into the following.

- | | |
|-------------------------------|-------------------------|
| ◆ Dining hall of the hostel | ◆ Periodical film shows |
| ◆ University Health Centre | ◆ College functions |
| ◆ University Library | ◆ Sports meets |
| ◆ University Convocation | ◆ Other Programmes. |
| ◆ University Examination Hall | |

The Identity Card helps students in situations where his/her identity is challenged. If it is lost, it should immediately be reported to the Dean concerned. The Dean, after satisfying himself will issue a duplicate card after collecting the prescribed fee of Rs. 6.00

Attendance

A minimum of 75 per cent attendance is compulsory for all students. Those who do not put in the required attendance will not be eligible for receiving scholarships.

Those who fall short of 75% attendance will not be allowed to the University examinations and will not be promoted into the next higher class.

Condonation

Condonation will be granted to those who have put up a minimum of 62.5% of attendance. Under any circumstances, condonation will not be granted if the attendance falls short of 62.5%.

The condonation is specifically meant for the purpose of examinations and not scholarships or promotion.

Candidates have to apply for condonation stating reasons for the absence with proper evidence and pay the fee prescribed by the University.

Application for such condonation will have to be duly forwarded by the appropriate authorities (Co-ordinator of the programme, Head of the Department and Principal with specific remarks/recommendations on the basis of valid grounds like; serious health problems supported by the appropriate medical authorities with a certificate).

Permission to absent from a class may be granted by a teacher, but such permission will extend only till the end of the hour in which it is granted.

Leave of absence from classes is to be obtained from Head of the Department. The names of those students who absent themselves for more than fifteen days without leave will be removed from the rolls unless they show that their omission to obtain leave is unavoidable.

Leave of absence from the terminal / Internal assessment examinations will be granted under special circumstances only.

No student shall leave the class room, without the permission of the teacher- in - charge of the class.

Students who may have no class to attend in any particular hour of the day may

- ❖ Sit in any Class room that is unoccupied at that hour or
- ❖ Sit in departmental library/ reading room.

They shall on no account disturb any class at work.

Conduct and Unity

Students shall conduct themselves in a manner worthy of the alumni of the university and in the best traditions of Indian life and culture.

Smoking inside class room, throwing out waste paper, defacing wall, eve-teasing and committing nuisance in the college campus are punishable offences.

Formation of formal or informal groups on the basis of caste or community, region or religion and creating discord among students on any basis is reprehensible.

Creating unrest for problem solving is undesirable. All genuine grievances or problems can be redressed through discussion and arriving at consensus.

Students should not engage themselves in any kind of agitation or activity that interferes with the functioning of the college. Violence-based coercive activities and non-violent persuasive methods like satyagraha have no place in educational institutions.

**ADMISSION PROCEDURE**

1. A candidate seeking admission into P.G. Courses shall have to qualify in the entrance test conducted by Directorate of Admissions (Ph :0877-2248589), S.V. University every year.
2. A candidate seeking admission into M.Phil. / Ph.D. (Full time/ Part time) shall have to apply to the Directorate of Admissions, in the appropriate time in response to the notification of the Directorate.
3. The selection of the candidates for P.G. Courses and M.Phil. Programme is based on the marks obtained in the S.V. University Entrance Test and availability of seats in the concerned discipline. Whenever there is a tie in giving ranks for those who secure the same marks in the test, the elder person will have the priority. The usual rules of reservation will be followed in the allotment of seats.
4. The Selection of a candidate to the Ph.D. Programme is based on: (1) marks secured in the P.G. Examination (2) availability of a seat with a teacher and (3) consent of the teacher to guide the student.

PLANT TREES

A tree that lives for 50 years

generates Rs. 5.3 lakh worth of oxygen

recycles Rs. 6.4 lakh soil fertility

facilitates Rs. 6.4 lakh soil erosion control

creates Rs.10.5 lakh worth of air pollution control, and

provides Rs. 5.3 lakh worth of shelter for birds and animals.

Besides, it provides flowers, fruits and timber.

So, for the fall of every tree, city loses

something worth about 50 lakh !

Think thrice before you cut a tree !!

Plant your oxygen plant at least one today !!!

RULES AND REGULATIONS FOR SCHOLARSHIPS

To receive any scholarship a student has to put in compulsorily 75% of attendance.

University endowment scholarships will be sanctioned by university authorities as per the eligibility conditions laid down.

Scholarships by government, research organisations and other agencies will be awarded as per the rules stipulated by them. Submission of application for a scholarship does not guarantee the award of scholarship. The University is only a forwarding authority. It is in no way responsible for the award or otherwise of the scholarship.

A. Rules and regulations stipulated by the Government for the award of SC scholarship include:

1. Scholarship holders under this scheme shall not hold any other scholarship of higher value, the student can exercise his/her option for either of the two scholarships, whichever is beneficial to him / her and should inform the District Social Welfare (General) Camp Office, Tirupati through the Head of the institution about the option made. No scholarship will be paid to the student under this scheme from the date he/she accepts another scholarship.
2. A scholarship awarded may be cancelled if the scholar changes the subject of the course of study for which the scholarship was originally awarded or changes the institution of study without prior approval. The Head of the institution is requested to stop forthwith the payment of the scholarship money. The amount already paid may also be recovered.
3. A scholar is liable to refund the scholarship amount if during the period for which the scholarship has been awarded, he/she discontinues his/her studies.
4. If a candidate is found to have obtained a scholarship by false statements, his / her scholarship amount paid will be recovered. The student concerned will be black-listed and debarred for scholarship in any scheme forever.

5. The sanction of scholarship shall be subject to the condition that the holder puts in a minimum attendance of 75%.
6. If any candidate puts in less than 75% attendance for valid reasons like falling sick or due to certain unavoidable reasons, he / she shall be paid scholarship in proportion to attendance.
7. The scholarship is dependent on the satisfactory progress and conduct of the scholar. If it is reported by the Head of the institution at any time during the academic year that a scholar has by reason of his/her own act or default, failed to make satisfactory progress or has been guilty of misconduct, such as resorting to participation in strikes, irregularity in attendance without the permission of the authorities concerned, etc., the District Social Welfare Office (General) Camp Office, Tirupati may either cancel his/her scholarship or stop or withhold further payment for such a period as he may think fit.
8. The Head of the Institution should get all the conditions fulfilled before the payment of scholarship is made.

"There is only one dream worth having...to live while you are alive, and die only when you are dead."

"If you are religious, then remember that this bomb is Man's challenge to God. It's worded quite simply: We have the power to destroy everything that You have created."

If you're not religious, then look at it this way. This world of ours is 4 600 000 000 years old. It could end in an afternoon."

"People rarely win wars; governments rarely lose them."

- Arundhati Roy

B. Government of Andhra Pradesh Post-Matric Scholarships for students who belong to Economically Poor Persons Category :

1. Candidates, who after passing one stage of education are studying in a different subject, e.g.M.A., in one subject after M.A., in another subject, will not be eligible.
2. Candidates, who after having completed their educational career in the professional line continue professional studies in a different line, e.g.B.L. after B.Ed., will not be eligible.
3. Students, who are in full-time employment will not be eligible. However, employed students who take leave without pay for the entire duration of the course and study as full time students will be eligible.
4. Only two children of the same parents are eligible for this scholarship.
5. A scholarship holder under this scheme will not be eligible for any other scholarship.
6. While considering the application for award of scholarships, priority will be given to fresh students to various courses in University College/ P.G.Centres.
7. The scholarship is liable to be terminated if the scholarship holders violate any of the rules and regulations of the University or misbehave in the college or in the hostel, including the dining hall and the parent/ guardian of such student shall be informed about the cancellation.
8. Payment of residential scholarship in respect of all categories of students is subject to the condition that they put in a minimum attendance of 75% in the college in each term. If any candidate puts in less than 75% attendance for valid reasons like sickness or due to certain unavoidable reasons, he/she shall be paid scholarship in proportion to attendance. Those who absent themselves without valid reasons and put in less than 75% attendance will not be paid any scholarship.
9. For renewal of scholarships, the student should have been promoted to the next year class of the same course.

Special Note :

1. Sanction of scholarships shall not be automatic and as such University Colleges should not extend mess facilities without payment in anticipation of sanction of scholarships by the Government.
2. The students shall be given mess facilities only on payment of mess charges every month and caution deposit and prescribed fee at the time of admission till their scholarships are sanctioned. However, this condition shall not apply to students seeking renewal of scholarships provided they satisfy the conditions laid down.
3. The residential scholarships are tenable for a period of ten months in a year. In case where the academic year is affected or postponed due to student disturbances, the students shall have to bear the mess charges incurred on that account, i.e. during the period of strike, themselves.
4. The residential scholarships shall be sanctioned from the date of admission into the hostel or from the date of commencement of regular classes whichever is later and not from the date of admission into the course.

FACILITIES ON THE CAMPUS

S.V. UNIVERSITY LIBRARY

The University Library was started in the Year 1955 with a small collection of 6,700 books taken from the Sri Venkateswara College, Tirupati, administered by Tirumala Tirupati Devasthanams. The present library building was declared open in July 1964, by Dr. S. Radhakrishnan, the distinguished Philosopher and the then President of India. The University Library, centrally situated and easily accessible to all the Departments in the campus has steadily grown over the years and it has today 3,29,021 documents. The Library serves the information needs of the teaching faculty, research scholars and students of S.V.U. College of Arts & Sciences and S.V.U. College of Engineering, Non-Teaching Staff of the University and Deposit Borrowers numbering around 7,000. The Library subscribes to about 260 current periodicals of national and international importance.

In order to provide better service to the users of the library, the huge and perennial growth of its collection has been arranged in such a manner that books and back-volumes of journals on Science and Technology are housed in the newly constructed extension building and books and back-volumes of journals on Social Sciences, Arts and Humanities are housed in three floors of the stack area of the library building. Readers will not find any difficulty in locating the documents of their choice.

In order to achieve functional efficiency, the library is organized into **10 different sections**. They are :

The library follows Open Access System in all the wings of the library. The books are classified following Dewey Decimal Classification scheme and catalogued following Anglo - American Cataloguing rules. The library maintains three types of catalogues as follows.

- | | |
|----------------------------|---|
| ☛ Circulation Section | ☛ Loan Section (Stock Area) |
| ☛ Book Acquisition Section | ☛ Text Book and Competitive Examination Section |
| ☛ Periodicals Section | ☛ Reference-cum-Documentation |
| ☛ Technical Section | ☛ Digital Library Section |
| ☛ Binding Section | ☛ Administrative Section. |

- ❖ Author catalogue
- ❖ Subject catalogue
- ❖ Title catalogue

The Library has **four reading halls** with a seating capacity for **325** readers at a time. Members are provided with tickets for borrowing books from the Library. Each Post-Graduate student is given 3 tickets and each Research Scholar 5 tickets. The borrowers can keep the books for fourteen days only. If the books are not returned within the prescribed period, a penalty of 10 paise per day for each book will be collected. Besides book lending service, the Library offers Reference Service, advice to Readers and Inter-Library Loan facility.

The UGC has provided access to about 4,450 E-Journals and Databases under its UGC-INFONET Programme to SVU Library. The students, Research Scholars and Faculty members can access these E-Resources in the digital Library. The process of digitizing Ph.D. and M.Phil. theses awarded by the S.V. University is in progress. So far about 500 Ph.D. theses have been digitized and this can be accessed through the website http://library.svu.ernet.in/svu/sv_index_menu.htm. S.V. University is the first state University in the country to digitize Ph.D. and M.Phil. theses. The total automation work of SVU Library is in progress and so far databases for back volumes of 2,169 Journals and 2,499 Ph.D. & M.Phil theses have been created and the database for books is in progress.

The Library is kept open for readers between 8.00 A.M. and 9.00 P.M. on all working days with transactions at the circulation counter except on Sundays and Holidays, on which the Library functions from 10.00 A.M. to 5.00 P.M. for study and consultation purpose only. The Library is closed completely on the following days :

**DIRECTORATE OF DISTANCE EDUCATION****visit : www.svudde.org**

The Directorate of Distance Education was started in 1972 as the Institute of Correspondence Courses to cater to the needs of students who could not pursue formal college education. These courses provide an opportunity to the students who discontinue education at an early stage to pursue higher studies because of lack of aptitude and motivation or for want of economic wherewithal. Individuals who look upon education as a life-time activity and like to enhance their knowledge in an existing discipline of study or acquire proficiency in a new area may also benefit from the courses. Distance Education is an attempt to diversify and proliferate academic beneficence far beyond the close confines of a classroom and to make it available to all those who aspire for higher learning. It has a special relevance in an egalitarian society, in so far as it does not have the "elitist bias" to education which is beyond the reach of many. Another advantage of such a programme is that it goes beyond the confines of University Jurisdiction.

The Institute of Correspondence Course was upgraded as the Directorate of Distance Education in 1994 as per the UGC norms.

CENTRE FOR STUDIES IN PEACE AND NON-VIOLENCE AND CENTRE FOR GANDHIAN STUDIES

(Specialisation in Rural Development & Extension activities)

The Centre for studies in peace and non-violence was established in 1976. Prof. K. Satchidananda Murthy, former Vice-Chancellor was the Principal architect of the Centre which was inaugurated on 13-10-1976 by Prof. Satishchandra, the then Chairman of the University Grants Commission, New Delhi.

The purpose of the Centre is, in general, to study peace and non-violence in their widest context. However, in more specific terms, its aim is to develop an applied science of Peace Research with the goal of preventing wars and promoting positive peace i.e. the unification of mankind into co-operative enterprise on a world-scale. To this end the Centre endeavours to foster and promote inter-disciplinary studies and research relating to problems of war, peace and non-violence. 4 M.Phil and 2 Ph.D. degrees have been awarded so far. 3 Research projects have been completed. 8 Books have been published by the Centre. Kargil Protest March, International Day of Peace, U.N. Day, Communal Harmony Day were celebrated by the Centre. 18 seminars have so far been conducted.

The Centre has collaboration with Gandhi Smriti and Darshan Samithi, New Delhi (Government of India), International Centre for Gandhian Studies and Research Government of India, New Delhi. Shiksha Mandal, Wardha, National Foundation for Communal Harmony, Government of India, New Delhi and the University of Notre Dame, U.S.A.

The University Grants Commission, New-Delhi has approved the, proposals submitted by the Centre, to introduce Post Graduate Course in Gandhian Studies (Specialisation in Rural Development and Extension Programmes) from the academic year 2006-07, with financial assistance of Rs. 8.2 Lacs. The centre for Gandhian Studies was inaugurated by our esteemed Vice-Chancellor Prof. S. Jayarama Reddy on 29 March, 2006 at the Senate Hall in the Inaugural Session of the National Seminar on (Impart of Gandhian Thought on Globalisation) for which he happened to be the Chief Guest and was presided over by Prof. N Radhakrishnan,

Chairman, Indian Society of Gandhian Studies, New-Delhi. Prof. A.Ranga Reddy was appointed as the co-ordinator of this new centre.

**INSTITUTE OF ADVANCED STUDY IN EDUCATION**

As per the 1986 New Education Policy (NEP) under the centrally sponsored scheme of "Teaching Education" by the Ministry of Human Resource Development (MHRD), Govt. of India during IX plan, the Institute of Advanced Study in Education (IASE), S.V.University, was established in 1998. The main purpose of establishing IASE is to uplift the Department of Education as IASE, to improve the quality of Teacher Education and Secondary Education. To achieve the above objectives, IASE, S.V.University conducted 6 pre-service batches with efficient training, 30 In-service Training Programmes for secondary school teachers (covered 3000 teachers), 6 workshops in secondary school curriculum, 3 workshops on Guidance and Counselling at Intermediate level, Inter Master Trainers Programme for Teacher Education, Information Technology Literacy Programme for Teacher Educators at Tirupati, Kurnool, Anantapur and other extension programmes. In November 2004 principal IASE has organized UGC national level seminar on the topic "Value oriented Education". So far, 10 minor projects have been completed and 15 seminars / workshops have been organized. 132 research papers and 25 books have been published. The HRD Ministry sanctioned a grant of Rs. 1.5 lakhs for further research in the Institute Rs. One lakhs also granted in X plan period for Departments development Facilities.

**ORIENTAL RESEARCH INSTITUTE**

Sri Venkateswara Oriental Research Institute was started in July, 1939 by the Management of Tirumala Tirupati Devasthanams with a view that it should be a first-rate Research and Training Centre with appropriate divisions for the study of Sanskrit and other languages of the Hindu religion and Philosophy and of Hindu culture generally. Under the Management of Tirumala Tirupati Devasthanams, the Oriental Research Institute published sixteen volumes of the Oriental Journal and about sixty-four books in Sanskrit (20), English (8), Telugu (19) Tamil (17) under three series named Sri Venkateswara Oriental Series, Sri Venkateswara Oriental Institute Studies and Sri Visistadvaita Sampradaya Granthamala, covering the areas of Kosa, Dharma sastra, Vyakarana, Scientific literature like Mathematics, Saiva, Vaikhamala and Pancaratra Agamas, Vedanta, Kavya, Stotra and Psychology. The Bharatakosa by M.R. Kavi and the History of Sanskrit Literature by M. Krishnamachariar Published from this Institute have become indispensable basic tools of research in Sanskrit Literate and literacy criticism. The Tenth All India Oriental Conference in 1940 and the Fourth Session of Sanskrit Vishva Parishat in 1955 were held in Tirupati under the auspices of the Institute. When the Sri Venkateswara University was established, for the encouragement of higher education and research in all branches of learning particularly on Oriental learning, Sanskrit, Ancient Indian Arts and Culture, Architecture and Fine Arts, Tirumala Tirupati Devasthanams handed over the Institute on the 1st November 1956, with a view to promote its activities in a broader perspective with well qualified research staff. With limited resources and meagre staff the Institute continued to function with the same zeal and aspirations with which it was started and could publish 43 volumes of Oriental Journal and 30 books in English (3), Sanskrit (15), Telugu (10) and two volumes of the Descriptive catalogue. A Seminar on Andhra's contribution to Indian Culture was held in March 1972 and a National Seminar on the eve of Centenary Celebration of Bhagavan Ramana Maharshi was conducted on 20-08-1997.

In 1979, the Institute moved to its own new building. It was named "Tiruppan Alvar Bhavan" in sacred memory of Saint Tiruppan alvar who sang in praise of Sri Vishnu in the ninth century A.D. The Library of the Institute contains 17,038 manuscripts and 43,000 printed books. Each book in the library is purchased selectively on consideration of its utility in the research activities of the Institute covering all the fields of Indian tradition. There is a binding section to repair damaged books. But many of the books in the old collection are irreparable, as the paper became very brittle and got damaged. So the Library is run on closed access system. All possible facilities are provided for the bonafide research scholars and learned public to consult the books in the Reading Room.

UGC - SVU CENTRE FOR MST RADAR APPLICATIONS

The Mesosphere, stratosphere and Troposphere (MST) Radar is established as a National Facility at Gandanki, about 35 Km from SV University. The Radar is a sophisticated, state-of-the art ground based instrument for middle and upper atmospheric research. MST Radar provides unique observational data to carry out frontline research in atmospheric sciences. The MST Radar can be used to study middle atmospheric dynamics, turbulence, jet streams, gravity waves, troposphere - stratosphere exchange process etc. Considering the importance and potential of MST Radar for atmospheric sciences, UGC created a Centre for utilisation of the MST Radar Facility by all the Indian Universities through SV University, Tirupati. The Centre is known as UGC - SVU Centre for MST Radar Applications. The centre is accessible to scientists and researchers from Indian Universities working in the area of atmospheric sciences especially with references to MST Radar. The centre is also supported by the Department of Space, Government of India.

UNIVERSITY SCIENCE INSTRUMENTATION CENTRE

The Centre was started as a Central facility for hobbies (Hobby Centre) and Workshop practice (Central workshop) in the year 1959. The status of the Centre was elevated to Central Instrumentation and Services Laboratory by the UGC. The present status of USIC level II was attained in 1984. University Science Instrumentation Centre (USIC) is a non-vacation academic department functioning as a centralized Instrumentation facility for the benefit of various departments on the Campus and at times to the needy local educational institutions outside the campus also.

Friends of SVIMS Society honoured the Centre for the fabrication of a cautery tip suitable for an important Brain Surgery unit of SVIMS. The centre also conducts national level training programmes in Instrumentation in collaboration with the Western Regional Instrumentation Centre, Mumbai.

A Self Supporting M.Sc., course in Instrumentation has been sanctioned for the centre during the year 2005-06.

Profile of the Directorate of the Community Development

Community Development is an issue of global concern. It is an integral part for the development of any Nation. Although the Universities and colleges in India are actively involved in modes of teaching and research activities, they have their own limitations to contribute their research findings for the development of the communities. Now, it is very important than never, that the Universities should have their strategies in contributing to the development of the community in their own possible ways. The Universities have an access to understand the world wide information technology and donor system which can be linked to the rural community to the opportunities that are available globally. This will pave a way to tap the funds in getting a project for the progress of poor and disadvantaged. The University co-ordinates the projects, plays a mediator and motivator role, interprets government structures, donor intentions and procedures, thus empowering the community to access these resources. The University also facilitates needs assessment, planning, training, report writing, account keeping and assists conflict management. Keeping these in view, the above centre has been opened by the Hon'ble Vice-Chancellor Prof. S. Jaya Rama Reddy to make S.V. University to take part actively in the activities of Community Development. Apart from the Director, the Advisory Committee and the Task Force Committee have also been constituted, which are headed by the Vice-Chancellor to execute and to monitor the Community Development Programmes.

NEW PROGRAMS ON THE CAMPUS

CENTRE FOR INTEGRATED STUDIES (CIS)

The S.V. University has established a Centre for Integrated Studies (CIS) to offer five year integrated M.Sc., Course. During the academic year 2006-07, the University is starting M.Sc. (Physics) as a starting subject and from the next academic year onwards, three more M.Sc. courses in Chemistry, Mathematical Science and Biological Sciences will be started.

Keeping in view the requirements of the modern day society, the S.V. University has recognized the necessity in starting such a novel centre for organizing newly proposed five year integrated studies for the benefit of the students. This centre provides all necessary advanced training to the students in their chosen subject of interest.

The various courses offered to students are of three types.

Core Course

Core courses are those, knowledge of which is essential for students registered. These courses are mandatory.

A core course may be a theory or a practical paper.

Elective

An elective allows students to gain knowledge in areas where the concerned subject has applications.

Internal Electives

A department has to declare electives for their own students, out of which the desired electives are chosen by the students of parent department.

**External Electives**

A department has to declare electives for the students of other departments. These electives are taught out of college normal working hours.

- ✧ The credits obtained are mandatory.
- ✧ By choosing an elective from outside the parent department, a candidate may have to sacrifice an elective of his own department.

Self Study Course

- ✧ The concerned department allows students to choose an additional one or more courses, to acquire more knowledge and extra credits. But these credits are not to be taken into account for awarding grades or class. Such courses should be in advanced areas of the subject. A teacher shall supervise the student.
- ✧ For self study courses, question paper setting and evaluation are internal only.

Semesters

An academic year is constituted by two semesters.

- ✧ *Odd semester* covers the period from July to November, fifteen weeks of which are lecture weeks.
- ✧ *Even semester* covers the period from December to April, with fifteen lecture weeks.
- ✧ In each semester, on the average four weeks are devoted to preparatory holidays, semester end examinations and semester break holidays.

EARN AND LEARN SCHEME

The Earn and Learn scheme was launched on 2nd September, 2005 by Prof. Dr. Col. S. Jayarama Reddy, Vice-Chancellor, Sri Venkateswara University, Tirupati. It is a unique experiment in the history of the University since its inception. The objectives of the scheme are :

1. To help the poor students
2. To promote a sense of dignity of labour
3. To promote leisure time activities
4. To utilize the skills of the students
5. To promote positive attitude towards life

The university has constituted an advisory committee and a coordination committee to over see the implementation of the scheme.

The scheme is implemented from the academic year 2005-06. Dr. R. Seshadri Naidu, Director, UGC-Academic Staff College, co-ordinated the scheme with the help of one academic consultant. Initially the scheme covers final year students of PG and Engineering students of SV University Campus.

About 250 applications have been received for the scheme. The coordination committee has selected 40 students through personal counselling. The selection is based on 60% economic, 20% merit and 20% attitude towards work. The selected candidates have been assigned work in SVU Library, Computer Centre, Academic Staff College, Academic Audit Unit, Physical Education, University Hostel Blocks and Messes, Student Welfare and Cultural Centre. The students work for 2 hours per day outside the class hours, in the respective units assigned by the concerned head of the unit.

The University has sanctioned Rs.2.00 lakhs from SVU College Special Fee fund account towards the fellowship and Rs.10,000/- towards contingency. The amount will be paid to the candidates after the work is certified as satisfactory by the concerned head. The candidates issued certificates of participation at the end of the program.

The vice-chancellor has explored the possibility of financial assistance from Philanthropists such as Prof. Raj Reddy, USA, to extend the scheme for more number of students from 2006-07 onwards. The Vice-Chancellor profusely thanked Prof. Raj Reddy for coming forward to help 50 more students from the academic year 2006-07 under this scheme, by donating Rs.50,000/- per month to University. The poor students are richly benefited through the Earn and Learn Scheme. This scheme has become one of the most important student welfare activities.

UNIVERSITY-COMMUNITY-INTERACTION

The University-Community-Interaction Conference was organized on September 25, 2005 and it was inaugurated by Honourable Vice-Chancellor Prof. Dr. Col. S. Jayarama Reddy. The conference was attended by the local elite, the retired administrative officers, lawyers, physicians, Chartered Accountants, Hoteliers, Leading Traders, Social Activists and University faculty. The major objective is to understand the perception of the Community towards University and relevance of University education to the Community. The following issues had emerged during the interaction session.

- Work Culture
- Competence of the faculty
- Institutional sickness
- Teaching-learning skills
- Practical knowledge-oriented theoretical approach
- Demand driven degrees and diplomas
- Multiple Utility Degrees
- Academic auditing and accountability
- Community oriented curriculum.

University and Farming Community Interaction

A brain storming session was organized on November 10, 2005 to discuss on rural development problems of the farming communities. The session was also intended to seek ways and means to establish collaboration between universities, farmers' associations, industries and other experts to deliver required services, technologies and other inputs to the farming communities. This session was chaired by Sri Peddireddy Chengal Reddy, President of A.P. Farmer's Federation, Hyderabad, and was inaugurated by Prof. Dr. Col. S. Jayarama Reddy, Honourable Vice-Chancellor, S.V. University. Prof. K. Sivasankara Reddy, the Rector

presided over the function. This conference was attended by farmer's associations, progressive farmers, agricultural extension staff, NGOs and relevant faculty from ANGR Agricultural University, Sri Padmavathi Mahila University and S.V. University.

The Vice-Chancellor has emphasized on :

1. How to remove various bottlenecks that impair safety and security of farming community.
2. How to protect and increase the productivity of soil and water.

National Conference on University – Industry – Community Interaction and Brain Storming Session

A two day national conference on University-Industry-Community Interaction was inaugurated on December 1, 2005 in the Srinivasa Auditorium and our Honorable Chief Minister of Andhra Pradesh Dr. Y.S. Rajasekhara Reddy garu has delivered the inaugural address. The Vice-Chancellors of all the Universities of A.P., the Chairman and the officials of APSCHE, the director of collegiate education, chief executives from various industries, presidents and secretaries of different NGOs, university officials, Heads and Chairpersons of Board of studies of all University departments, and the elite of the Tirupati town from various walks of life have participated in the deliberations.

IMPORTANCE OF EDUCATION

The foundation of every state is the education of its youth.

- Diogenes

Education is a social process; Education is growth;

Education is not preparation for life; Education is life itself.

- John Dewey

Educated men are as much superior to uneducated men as the living are to the dead.

- Aristotle

The technical sessions were held on Dec. 2, 2005 in Senate Hall with a coordinating team consisting of Prof. Dr. Col. S. Jayarama Reddy, Honourable Vice-Chancellor as the president of the programme, Prof. K.C. Reddy, Chairman, APSCHE and Sri Ausutosh Misra, Principal Secretary, Higher Education as guests of honour.

In the brain storming session both the expertise and available facilities in various departments of this university have been presented by the university faculty members for the awareness and recognition of university readiness to collaborate with the industries and community personalities to undertake their issues and problems for solutions. Upon listening to the potentialities and readiness of this university, many industrialists have voluntarily come forward to work in tandem with the university faculty for mutual progress and further advancement. Along side, the Vice-Chancellors from other universities have also appreciated the rich expertise available with this university.

PROVISION OF ADMISSION FOR FOREIGN STUDENTS

The S.V. University has made a policy decision to open admissions to **foreign students** for all courses at P.G. level and for Ph.D. programs from the academic year 2006-07, to promote the Foreign Cultural Exchange Program.

Pleasure of participation

*Winning or losing the game
is not important.*

*But what is more important is
the spirit of healthy competition
& honest participation.*

SERVICES ON THE CAMPUS

NATIONAL SERVICE SCHEME (NSS)

Sri Venkateswara University carries rightly the pride for having been one of the pioneering institutions in implementing the N.S.S. in the country. It was introduced during 1969-70. Starting with 300 volunteers, it has grown into a mighty programme with about 40,000 Volunteers for regular NSS and special camping programmes.

Objectives

- To promote personality development among students through community service.
- To instil a sense of discipline among students
- To make students physically fit for nation building activities.
- To direct students energies to right causes.
- To acquire leadership qualities and democratic attitude.
- To practice National integration.

NSS Centre

The NSS Bureau and NSS Seminar Hall are located at NSS Bhavan near the Administration Building (Neelam Sanjeeva Reddy Bhavan).

NSS Programme Officers

260 NSS Programme Officers are there in Engineering, Degree and Junior Colleges of S.V. University area.

Admission

Students who wish to join NSS should apply to the Programme Officer concerned in their respective Colleges.

Activity

NSS volunteers will have the following activity

- 120 hours of service during an academic year
- They have to work on Sundays and evenings to complete this target service.

- * One special camp in a year during vacation.
- * Volunteers are provided with refreshment whenever they work.

Issue of Certificates

- ☆ Special Camp Certificates are issued to the volunteers who have been involved in the camp for 10 days with Programme Coordinator's and Vice Chancellor's signatures.
- ☆ Bonafide N.S.S. Certificates are given to volunteers who have been involved in general regular N.S.S. for 2 Years
- ☆ For volunteers who attend National Integration Camps, Inter State Camps, Inter Camps on deputation, are given University certificate by the organisers of the camp. These certificates are given priority II and considered in P.G. admissions.

Benefits

In P.G. Admissions, M.B.A., M.C.A. and other courses there are reservations (5%) under E.C.A. Quota for N.S.S. Volunteers on par with N.C.C. & Sports and cultural activities.

NATIONAL INTEGRATION SAMITI (NIS)

The Samiti is founded to promote a sense of unity through creation of awareness and appreciation of the diversities in our country. Its goals are :

- ☆ to create among students an awareness of history, culture, traditions and customs of the people of various parts of India;
- ☆ to encourage students from other regions acquire sufficient knowledge of the region to which university belongs;
- ☆ to promote goals through lectures, discussions, seminars and conferences.

The samiti is constituted with the members of University and local colleges in Tirupati.

NATIONAL CADET CORPS (NCC)

B.Tech. Students of S.V.U. College of Engineering can join NCC (Air Wing) which is situated in the College premises. The NCC programme consists of 40 parades each of two hours duration in a year. The programme mainly deals with 75% technical classes and 25% drill classes. The parades are generally conducted after college hours and also sometimes during Sundays and holidays. After the successful completion of training for 2 years in NCC, the cadets are eligible to appear for 'B' Certificate Examination and after the completion of the 3rd year of training in NCC, the cadets are eligible to appear for 'C' Certificate Examination.

The incentives for NCC Cadets are:

1. Reservation in Jobs
2. Direct entry into the service (Army, Airforce and Navy) without prior training
3. The best cadet based on certain merits will be given an amount of Rs. 1,000/- on the Republic Day Celebrations.

The S.V.U. College of Engineering has an independent Alumni Association. It was started in 1965. Most of the old students of the college are members of the Association and all the out-going students are eligible to become members of the Association. The business and affairs of the Association are managed by an Executive Committee. The aims of the Association are to maintain a directory of the alumni, to help the alumni to maintain contacts with the college, to arrange the annual gathering of the alumni and to enroll fresh members, to institute prizes in the name of the Association for the encouragement of curricular activities and to issue News Letters periodically to its members.

SVU FACULTY CLUB (SVUFAC)

Ph : 2249666 - 301

The Faculty Club of Sri Venkateswara University was established in the year 1978 in the east premises of University Health Center. The Elected President, Vice-President, Secretary, Joint Secretary, Treasurer and three executive members and a lady representative run it. The strength of the club is about 150 with life and annual members. The name of the center was changed to SVUFAC in the year 1994. At the beginning, it was started with a Lawn Tennis Court. At present for recreation it has a TV, Table Tennis, Shuttle-Cock Court, Caroms, News dailies, weeklies, monthly magazines etc. In this center the Tirupati Town Club has conducted Bridge tournaments in the year 2002, 2003 and 2006. The Physical Education Department and Officers' Club of Tirupati conducted Tennis Tournaments in this center. In addition to games, this center is a forum for the teaching faculty to discuss various current affairs of the day. In this premise are also conducted classes for Medical Lab Technicians (MLT). The get-together functions of faculty members, family members of club members and also general functions like Independence Day and Republic Day celebrations are conducted in the Club. There is a room provided to retired faculty members to relax. Another guest-room is available for the use of out station members. The present Vice-Chancellor Prof. Dr. Col. S.Jayarama Reddy is paying keen attention on the development of the Faculty Club.

SRI VENKATESWARA UNIVERSITY POST-GRADUATE CENTRE : KAVALI

Sri Venkateswara University Post-Graduate Centre, Kavali owes its origin to the initiative of Sri D. Ramachandra Reddy the architect of Visvodaya who started the P.G. Course in Economics and M.Com. in 1972 and 1973 respectively in Jawahar Bharathi Degree College. In 1973, M.Com course was started. These two courses were handed over to S.V. University in April, 1978 when Prof. K. Satchidananda Murty was the Vice-Chancellor. During the tenure of Prof. M. Santhappa - the **Silver Jubilee Celebrations** of S.V. University in 1979 - two courses in science viz., Physics and Zoology were added and Prof. K. Sasirababu was appointed as Professor of Zoology and Special Officer of the P.G. Centre. The Science Departments were shifted to its own campus of 78 Acres in 1984. The Economics and Commerce Departments were shifted in 1987. The two former Special Officers Prof. K. Sasirababu and Prof. G. Raghava Reddy contributed a lot for the growth and development of the Centre.

The Centre has four regular Departments: Commerce, Economics, Physics and Zoology and four Self-supporting Courses: M.C.A. , M.Sc. Computer Science, M.Sc. Mathematics and M.B.A.

Besides teaching, reasearch (M.Phil & Ph.D.) is undertaken in Economics, Commerce, Physics and Zoology. Since inception 7,500 Post Graduates were produced, 110 Ph.D and 200 M.Phil degrees were awarded, 25 Books and nearly 1000 Research papers were published. Considerable number of Major and Minor Research Projects were completed with the assistance of various funding organizations - UGC, ICSSR, ICMR, DST, DBT, etc.

The **Library** has 17,500 books and is contributing to 40 Journals and magazines.

The Centre has NSS unit. Almost all the students are members of N.S.S.

Hostels for Men and Women : Student representatives along with hostel authorities run the hostel. Present hostel inmates including research scholars are 345, out of which 76 are women.

*"A University stands
for humanism, for tolerance,
for reason,
for the adventure of ideas
and for the search for truth.
It stands
for the onward march
of the human race
towards even higher objectives.
If the Universities discharge
their duties adequately
then it is well
with the nation and the people."*

- JAWAHARLAL NEHRU

*"We want that education
by which character is formed,
strength of mind is increased,
the intellect is expanded,
and by which one can stand on
one's own feet."*

- Swami Vivekananda
